Alliance Strategy ~Shared-Use System (MEJAR)

Alliance Strategy ~Trust Business

- Joint investment in Asahi Trust in September 2013 by 9 regional banks including the Bank of Yokohama.
- ■27 regional banks including the 9 regional banks above run the "Regional Bank Trust Business Study Group (Asahi Trust User Group)" in order to share their know-how.

Alliance Strategy ~ Asset Management Business

■ In order to support customers' asset formation and respond to the needs of financial asset protection we entered into an alliance with Sumitomo Mitsui Trust Bank, thereby we decided to establish an Asset Management company.

Improvement of sales methods

- Leveraging the know-how of Sumitomo Mitsui Trust Bank, we will introduce new sales methods centered around "core & satellite investment strategies" and share the proposal stories within the whole bank.
- We focus on balance expansion using sales methods that are not affected by the direction of the market.

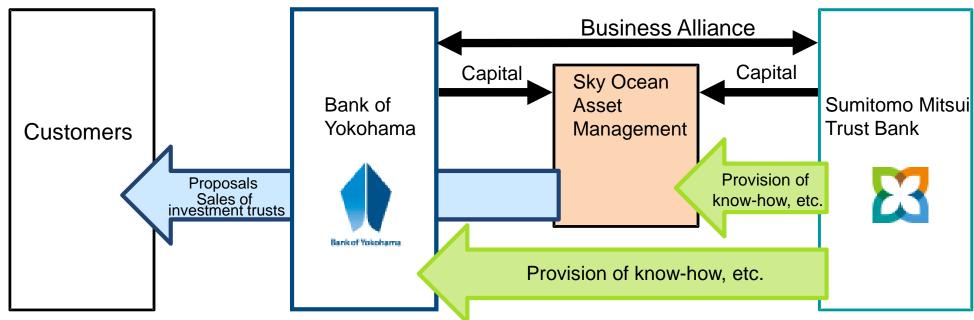

Launch a Core Investment Product

✓ In order to respond to the needs to "protect financial assets," we will launch a core investment product aimed at achieving stable growth.

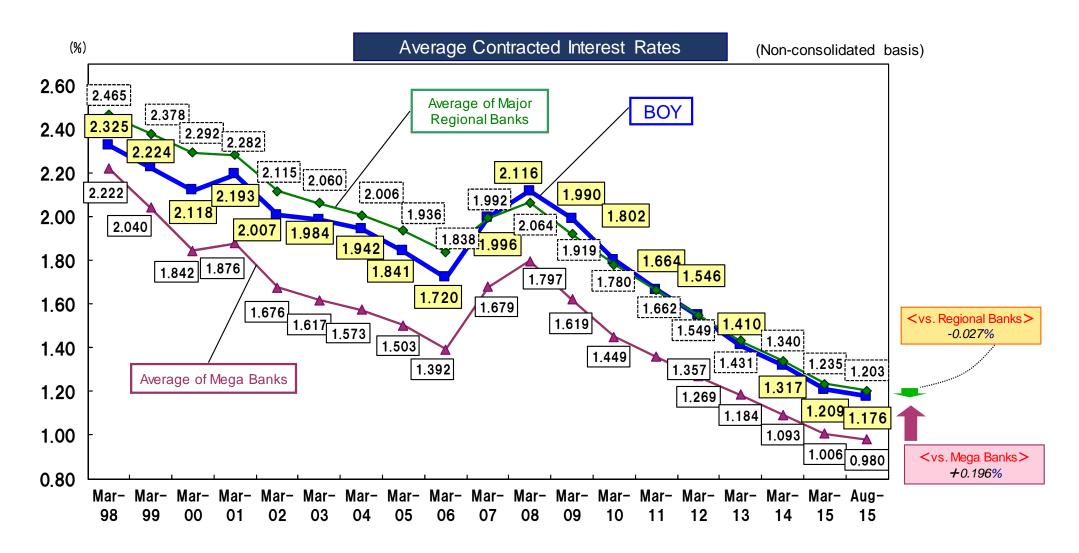

Establishment of an Asset Management company

- ✓ Secure trust fee (management fee) as a new revenue source
- Accumulation of investment management know-how for investment trusts
- Provision for providing our original investment products

(Note) Core & satellite investment strategies: Strategies that combine "core" investment, which is aimed at achieving stable returns, and "satellite" investment, which pursues higher returns in rising markets.

The Business Integration with Higashi-Nippon Bank

■ The new financial group aims to expand the sales and customer base by strategically placing management resources, such as personnel generated by promotion of streamlining and improvements in efficiency of existing branches and headquarters, into the Tokyo metropolitan area and surrounding regions where growth is expected. For this purpose, the group will advance the efficient building of the network through the opening of new joint branches and sharing of existing branches.

Promote efficiency of existing branches

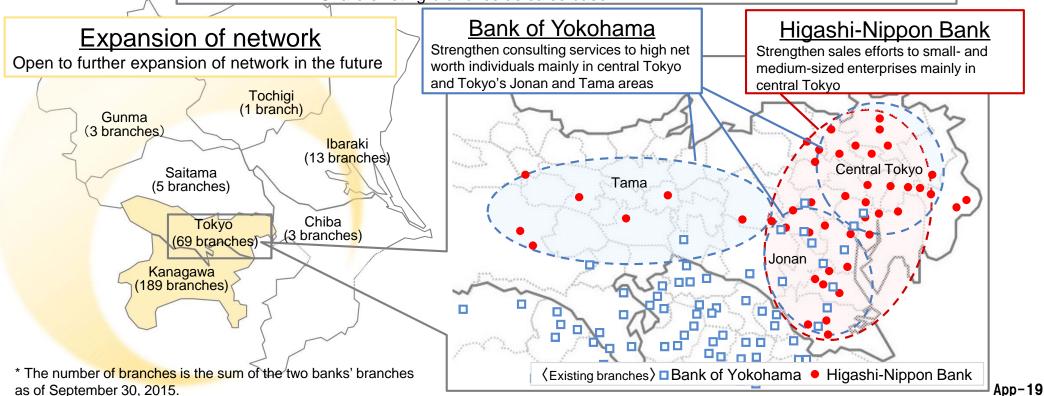

- · Consolidate overlapping branches and use shared branches
- Convert branches to satellite branches through reevaluation of their functions

Promote streamlining and efficiency of headquarters

- Integrate market divisions and administration centers
- Promote integration of administration and IT systems

<u>Strategically place management resources into the Tokyo metropolitan area and surrounding regions</u>
<u>where growth is expected while maintaining existing sales and customer base</u>

- Newly open separate or shared branches
- Share existing branches as sales base

The Business Integration with Higashi-Nippon Bank

■ The new financial group will aim to achieve 290 billion yen in gross operating income and 100 billion yen in profit attributable to owners of parent for fiscal 2020 by maximizing synergy achieved through the steady implementation of management strategy.
